FOREWORD

The Luigian Staff has toiled many hours in attempting to capture for you, by word and picture, life at Gonzaga. We have employed many new methods in order to achieve this end. We would like to feel that we have

preserved the spirit and vitality of Gonzaga; the spirit which rises to high peaks even from such humble facilities as are ours. It is our hope that in future years this book might relive for you the years of your training as GONZAGA MEN.

Best Wishes

DEDICATION

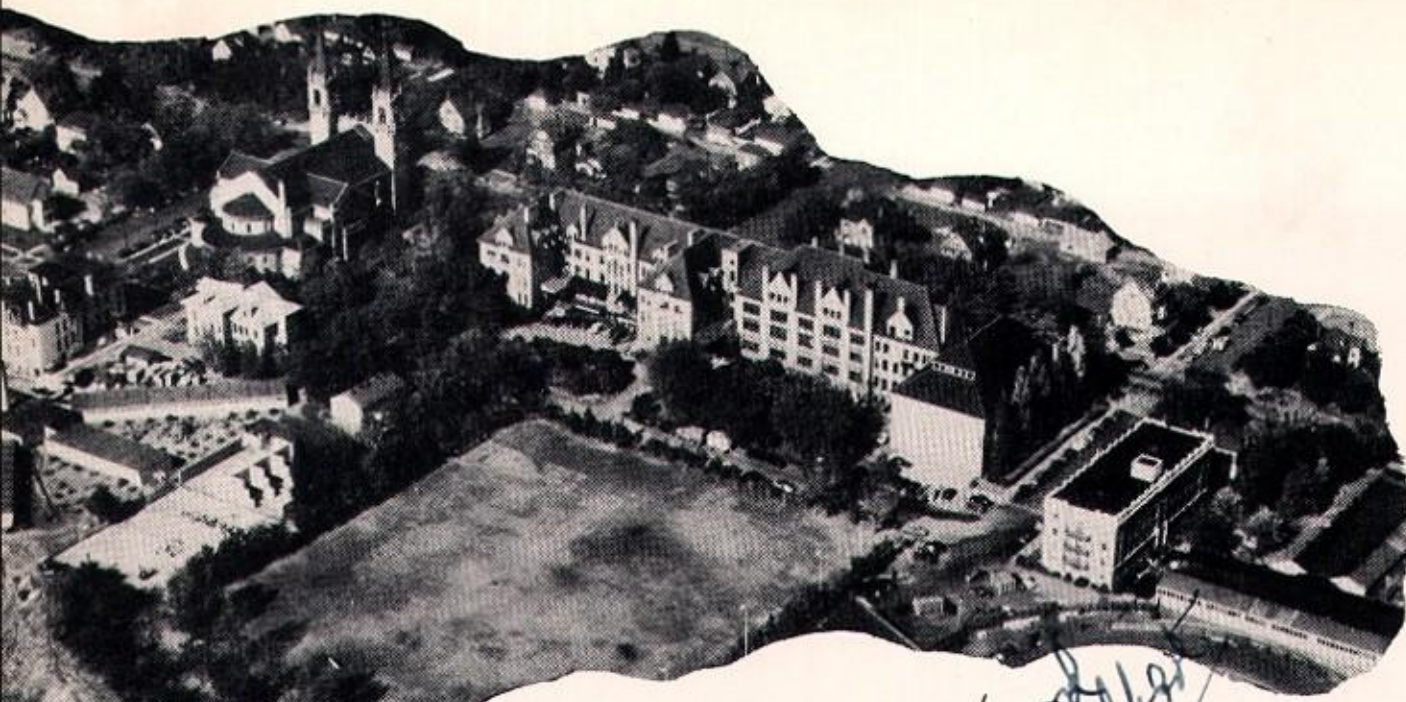

This Holy Year we halt to draw the curtain on the passing parade in order that we may view in perfect focus the splendor of the years and gaze with wondering and admiring eyes at the stature of the religious figures and shrines that endure upon the screen of life. They are the ancestors of our spiritual life and we regard them with reverence and awe. May we, who draw on the rich treasury of the past, be quickened and refreshed and made strong to march with equal courage to all that the future holds for us.

With prayerful lips and grateful hearts we return thanks this Holy Year to those staunch figures of the past who have left us such fine traditions of good living and sterling Faith, and who gave us such challenging examples of noble sacrifice. To all of them and to our present Pontiff, gloriously reigning, we dedicate our Luigian.

Dear Glen:

I guess that all things must come to an end, just as everything else. We sure had our times in our little little hacienda - oh yes! some were ~~not~~ some were had but that is to be expected. In the years that pass you can look back upon our get-togethers - maybe over a phonograph or maybe a beer. - you have gone over three of the hurdles and there is just one more until you take the big step - so study hard & Remember Prince Charles -

Also look Glen - - - you may need it

The draperies parted and I was ushered into the sanctum of the Seer of Superior, the ancient and honorable CHARLES CUTZ, prophet extraordinary. It had been many years since first he had attempted to foretell the future of the graduation class of 1950 A.D. And now, I was to compare his fantasy with fact. I settled down into the plush softness of the rug, and soon his sightless eyes peered from behind the ponderous tomes which lined his desk, and the wise one spoke.

"Yes?" he murmured.

"I'm here from the 'Moab Mirror' to check your 1950 prophecies. The editors, JOHN OLIVERI, CARL PETRONE, JOHN CHIMENTI, and MICHAEL REGIMBAL, decided it was high time. You foresaw that they would be shoe-shine boys. That doesn't look too good for the rest of your prophecies."

He cringed. "I know, but I was young then. Just think of CHARLES HENNESSEY. Hennessey now has one of the biggest bowling alleys in the Northwest, and a crew of the top talent in pin setters. Why, he's got MARTIN HARRINGTON, MAX LEONE, PAT YOUNG and TERRY RILEY. And it was quite a feather in his cap when CHARLES SAUVAGEAU won the West Side National Bowling Title. I foretold all that."

I started to agree when the door opened and JIM HOFF knocked. He was soliciting funds for a new youth organization headed by himself; ex-football pro, ROY VELLING; cigarette millionaire (he's got a million cigarettes) RAY WILTZIUS; BUD GREEN of Coplen Park fame; and a prominent bookie from Edwall, Washington, WALTER SCHMIDT. Funny name for the organization though, the Bohemian Club. We flipped him a quarter and he bowed out.

The house was quiet now. Not even the ticking of the clock was heard for it was a "Rosdud" clock, a product of the minds of ANDREW DUFNER and FRANK ROSS, members of the RICHARD FLYNN foundation for Underprivileged Inventors. I tried to run over in my mind the details of the lawsuit against the eccentric Flynn pressed by DON HAM and DICK SIERS for non-payment of royalties for a pontoon invention for '32 Chevs. THIBEAULT and WALLIS, famous criminal lawyers were handling Flynn's side. And it was BOYLE, BOYLE, BERTO and ZINKGRAF on the other side. It would be a good fight and Judge JOHN CLINTON would have a tough decision to make.

My mind was jolted from its wanderings at the sound of a truck. 'Twas only ARTHUR ESLICK, the contented milkman, delivering milk from the Cash and Carry Dairy operated by LARRY DETTRICH and NORM FLICKINGER. Together with ED WILKINSON they had trans-

formed the spring training camp of the Indiana Poop-Outs into a thriving business. I stopped my musings and spoke.

"Say, what ever became of the Poop-Outs?"

"I'd rather not answer that. You see, that's another of the mistakes I made. I thought they'd go to the Olympics some day, but when RICHARD SELLS and BOB GOODWIN started a Ladies Hat Shoppe, NICK MERRIMAN went into television billed as 'Naughty Nick, the Merry Mangler,' DAN WALSH became Nick's manager, LARRY SMITH lost his poise being confined to the SCHOENBERG and BRENNAN Shady Rest Sanitorium for the mentally deficient, all hopes for that great team were put to an end. All their games at the Admiral DONALD MUZATKO Memorial Stadium had to be cancelled."

"All in all, then, your prophecies haven't been too accurate."

"No, can't say that they have. And now, soon my house may be torn down to make room for a new theater that producers JULIUS PIERONI and RONALD BERGMAN want to build. They say they'll bring big name acts to town like DAVE FRAWLEY in 'Man with the Horn;' and those 'Roaming Hill Billies.' ANDY FERRERA, RAY MILLER, JOEL SMITH, and 'Two Gun' KEN EGERMAN. Oh, they'll even bring ALAN CROWE'S world famous Seal Act here. But I ask you, is it fair to an old man to tear down his house for a bunch of seals? Why, already the firm of STACH and GRIFFITH have started laying out plans for construction, and their front office man, DON HELLER, was here to see me about my leaving. It's hard for an old man. I'd like to see Mayor PATRICK RINGWOOD about this trouble, but the government has been awfully lax since AL SCHLOSSER was made City Commissioner. He's even allowing those boys, JIM 'Baby Face' BARKER, ED BATES, and JIM WILLIAMSON to operate a Pool Hall under the FRITZ and SANDERS Fruit Market. Things look hopeless."

"Say, didn't you foretell that some of those boys would become priests?"

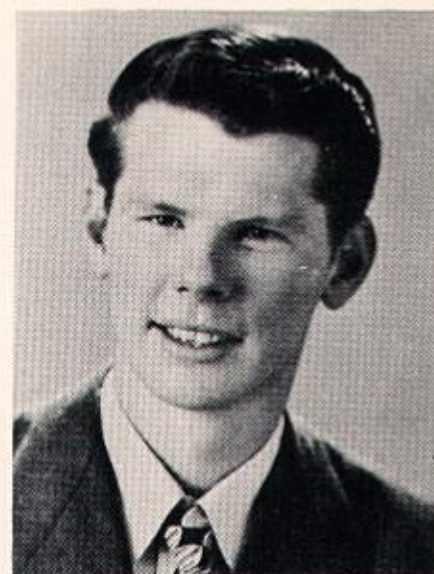

"Certainly," he said apologetically, "but you have to do that every year. It sounds good. The fact is that only ROBERT CORRIGAN, who has been the principal of Holy Names since it became co-ed, ROBERT TANKSLEY, and DENNIS HERLIHY joined the Order. Father Tanksley is now heading a mission in Germany, and Fr. Herlihy is Faculty Moderator of Athletics at Gonzaga.

"Not to change the subejct, but isn't it strange how H.N.A. became co-ed? I hear JOSEPH McGOWAN'S boy, Homer, and Shawn O'Reilly, the son of WILLIAM O'REILLY, spear-headed the drive. Joe and Bill helped finance

them from the earnings of their Hot Dog concession at Diamond Lake. Their drive brought contributions from 'LANGDON'S California Home for Tired Businessmen,' and from Soap Lake, TED PAPPAS donated some of his profits from the record banana crop. It's wonderful what the boys can do when they set their minds to it."

"But that isn't the future you saw for them. Weren't they supposed to be coal miners or lamp lighters or something?"

"Must you rub it in? I foretold that PAUL KAPFER would be a professor. Paul will be in here soon, but not as an educator. You see, he and BILL JONES are carpenters."

"But you did hit one right. PAT LYNCH did marry a female golf caddy, and is now playing exhibitions in Australia."

"Oh, he'll soon be too old for that. Someday he may have to settle down. He can always get a job at the O'NEIL and CRONIN 'Little bit of Sweden Smorgasbord'. And what about MARK RICHESON?"

"Well, didn't I foresee he'd have a brilliant career in the courtroom?"

The room was once more still. The smoke from the cardboard incense burner was slowly wafted through the hole-scared roof. Then I spoke.

"It's too bad DAVE BAUGH and JAKE HRYCENKO couldn't make a go of their new candy bar. I guess people didn't mind saying 'I'll take a Baugh and—' but by the time they said 'Hrycenko Candy Bar' they weren't hungry."

"Another slip for me. I foretold those boys would team up with JOHN CARRIERES and 'Cowboy' BOB KALEZ and start a Dude Ranch in Peaceful Valley. I even heard that PAT NEVERS, BOB ROWLES, and GIL CHERTRUDE had planned to bring their string of wild horses to the ranch for the summer. But ol' DUANE ENNIS, the real estate magnate, foreclosed the mortgage and forced them out of business. He just about did the same thing to the mortgage on the site of the Canoe Races held at the Bowl and Pitcher by promoter WILLIAM MARSH. But Marsh made enough money peddling JIM BROWN'S 'Miracle Mix' that he paid off the debt before the police ran him in for violating the Pure Food Act. It seems LARRY McCOLLIM bought some of the stuff and complained it made him turn green. Doctor JOHN AUGHNEY tasted the stuff and deemed it unfit for human consumption, and practically put FRANK CURRAN'S 'Wrecks-all' drugstore out of business, because his pharmacist, CHESTER HOPKINS, had some of the stuff in stock. McCollim was finally able to go back to work at JIM SCHRODER'S Beauty Salon, and Marsh had his

mouthpiece, ROBERT FERGUSON, spring him.

"What a tale of woe! Didn't any of our '50 graduates turn into anything really great?"

"Judge for yourself. Those 'Three Year Wonders,' RON GOOLEY, JOHN LYNCH, JACK THOMPSON and TERRY WEDEMEIER, are now the 'Big Four' running the elevators in the new RICHARD HAWKINS 'Five and Ten,' and MARK COLEMAN is running a pet store on Main Ave. Above Coleman's store MIKE LAKE'S School of Dance is noted for its staff of artists. JOHN ONGARATO and RODNEY POTTS are still fighting in the backwoods circuit, under the coaching of ROY HOERNER. EDDIE FALLON tried the pugilistic road for a while, but he had to give it up. He's now driving a truck for TOM MURPHY'S garage. TOM SPRAGUE played with the Poop-Outs for a while, but when they disbanded, he and BOB SULLIVAN went into the bakery business making fruit cakes, until Sprague touched a hot current and was almost electrocuted. If DICK CHASTEK hadn't been cruising by in his taxi, Tom might have been a prospect for DUFFY and MOORE'S Mausoleum Concern. Patrolman ROGER DIETER escorted them to the hospital.

And BILL BRODERSEN is a dish washer in a dental laboratory, washing upper plates. GLEN SNYDER has the head chair at the Moler Barber College. GEORGE WELLER is leading the Spokane Indians to another successful season. TERRY MCCARTHY and VINCE SCHMIDT are making a killing as traveling salesmen for that new firm 'Homework Done By Mail.'

"There really was no use in making a Senior prophecy in '50. Most of the boys have upset my predictions. What's more, there is really no money in the fortune-telling business."

He stopped and reflected moodily. The door opened and a familiar face appeared.

"I want you to meet my headwaiter, KEN EMERT," the wise one said. "My chef should be here shortly, too. You remember JIM SANTORA?"

"Chef? Headwaiter?"

"Certainly, and you probably remember my M.C. around here, JOE WEITENSTEINER; and BILL THOMAS and his impersonations; and DANNY COWELL'S 'Sweetest Music This Side of Hillyard.'"

"What is all this?"

"There is no future in prophesying, so in the evening this is Cutz' Chinese Gardens. Well, I hope you've found out what you wanted, Mr. RICHARDSON. Goodnight."

I turned and went out into the cool night. And as I scampered down the rain-swept street, the eerie music of the Gardens haunted me. Gad! How that ROGER STEELE can play the lute!

The Knights of the Leash, one of Gonzaga's top-notch clubs, is composed of students chosen for their diligence in studies and extracurricular activities. Only a limited number are chosen each year to fill the ranks of the Leash, for it is the duty of the members to keep order in the student body and it is up to them to set a good example for the students to follow. Each year the Leash usher at school events, such as the Mass of the Holy Ghost, Gonzaga Night and the annual retreat. In the Fall the Knights sponsor the "Knight Flight", a dance given to honor the football squad.

During the 1949-1950 school year there was seldom any activity at Gonzaga in which the band did not participate. Though poorly uniformed at the start of the year, they were one of the most skillful marching groups at the annual Merry-Go-Round game. After this initial boost in prestige, the band continued its fine representation, demonstrating its musical ability at Gonzaga Night, and in the city High School football and basketball games. To show their appreciation, the Student Body went all out to purchase fifty new band uniforms through the Curtis Magazine Subscription drive. The band ended the year with a successful band-gee club concert.

Knights of Science

The Knights of Science is a club founded to encourage its members to pursue some aspect of science whose boundaries are practically limitless. To further this interest the Club made a number of tours to local industries. Among these were a trip to the Inland Empire Paper Co., Gonzaga University's Engineering Department, the Mead Reduction Plant, and the Trentwood Rolling Mill. The last two completed the Club's study of Aluminum. Several movies were also shown to the members throughout the year.

Elocution

The annual Senior Elocution Contest was held in Dillon Hall on January 23rd. One of the greatest turnouts in the contest's history brought seventy-nine upper classmen to compete for the finals. Mark Richeson captured first place with his portrayal of "Go Down, Death." On February 28th five sophomores and three freshmen competed in the Junior Elocution Contest. The judges deemed Armand DeFelice the winner with his stirring, "Rum's Maniac." The Latin Oratorical Contest, only in its second year, proved to be one of Gonzaga's classical highlights. Herb McDonald was judged as the best interpreter of Ciceronian oratory.

Gonzaga's debaters turned in a most successful season this year as is evident from the many new trophies and medals which now line the school's display case.

At the December Seattle tourney Bob Tanksley and Mark Richeson brought back the second place debating cup. At the Lewiston tournament in February Gonzaga's four teams won the sweepstakes trophy and took the first four places in Extempore. In the Gonzaga University Tournament Gonzaga tied for third in debate; Richeson took first in oratory and was named as first alternate for a Gonzaga University scholarship; John O'Rourke won first in extempore; Jim Upton took second in impromptu; and George Weller and Joe Cozzetto captured second and third respectively in dramatic reading.

ABOVE LEFT: Gonzaga's first team, Mark Richeson and Bob Tanksley add the Sweepstakes trophy won at Lewiston to an already impressive collection of cups and trophies.

ABOVE RIGHT: Jim Upton, Bob Tanksley, John O'Rourke and Mark Richeson, due to their outstanding debating, won the above Lions Club trophy for taking first place in the Eastern Washington Debate League.

In the debate league formed this year, the two teams of Richeson-Tanksley and Upton-O'Rourke tied for first. Richeson also received the award for the best male debater in the league. In the March State Tournament at Pullman Gonzaga won second and a W.S.C. scholarship for Richeson.

The club's success depended greatly upon Mr. James Reichmann, S.J., the debating coach. Whatever the debaters gained is due ultimately to his careful instruction and example.

Although Gonzaga has received a large share of trophies, the true success of the season is not to be found in that fact. Rather the season was successful because of the training given the debaters themselves. They have learned a quality which will help them all their lives.

Gamma Beta

The forty resident students of the 1949-50 school year hailed from Montana, Idaho, California, Oregon, Washington, North Carolina, and Alaska to meet and make friends in the four-story white brick building—DeSmet Hall.

Throughout the year the Boarders were always represented in varsity football, baseball, track and basketball. Besides athletics, the Boarders placed each time in the finals for the Junior and Senior Elocution contests and were well represented in the Band and Glee Club.

As another epic-making year for Gamma Beta draws to a close, it leaves in the hearts of all a bit of sorrow, and especially in the seniors who must now break many close friendships and leave DeSmet Hall and Gamma Beta.

The draperies parted and I was ushered into the sanctum of the Seer of Superior, the ancient and honorable CHARLES CUTZ, prophet extraordinary. It had been many years since first he had attempted to foretell the future of the graduation class of 1950 A.D. And now, I was to compare his fantasy with fact. I settled down into the plush softness of the rug, and soon his sightless eyes peered from behind the ponderous tomes which lined his desk, and the wise one spoke.

"Yes?" he murmured.

"I'm here from the 'Moab Mirror' to check your 1950 prophecies. The editors, JOHN OLIVERI, CARL PETRONE, JOHN CHIMENTI, and MICHAEL REGIMBAL, decided it was high time. You foresaw that they would be shoe-shine boys. That doesn't look too good for the rest of your prophecies."

He cringed. "I know, but I was young then. Just think of CHARLES HENNESSEY. Hennessey now has one of the biggest bowling alleys in the Northwest, and a crew of the top talent in pin setters. Why, he's got MARTIN HARRINGTON, MAX LEONE, PAT YOUNG and TERRY RILEY. And it was quite a feather in his cap when CHARLES SAUVAGEAU won the West Side National Bowling Title. I foretold all that."

I started to agree when the door opened and JIM HOFF knocked. He was soliciting funds for a new youth organization headed by himself; ex-football pro, ROY VELLING; cigarette millionaire (he's got a million cigarettes) RAY WILTZIUS; BUD GREEN of Coplen Park fame; and a prominent bookie from Edwall, Washington, WALTER SCHMIDT. Funny name for the organization though, the Bohemian Club. We flipped him a quarter and he bowed out.

The house was quiet now. Not even the ticking of the clock was heard for it was a "Ros-duf" clock, a product of the minds of ANDREW DUFNER and FRANK ROSS, members of the RICHARD FLYNN foundation for Underprivileged Inventors. I tried to run over in my mind the details of the lawsuit against the eccentric Flynn pressed by DON HAM and DICK SIERS for non-payment of royalties for a pontoon invention for '32 Chevs. THIBEAULT and WALLIS, famous criminal lawyers were handling Flynn's side. And it was BOYLE, BOYLE, BERTO and ZINKGRAF on the other side. It would be a good fight and Judge JOHN CLINTON would have a tough decision to make.

My mind was jolted from its wanderings at the sound of a truck. 'Twas only ARTHUR ESLICK, the contented milkman, delivering milk from the Cash and Carry Dairy operated by LARRY DETTRICH and NORM FLICKINGER. Together with ED WILKINSON they had trans-

formed the spring training camp of the Indiana Poop-Outs into a thriving business. I stopped my musings and spoke.

"Say, what ever became of the Poop-Outs?"

"I'd rather not answer that. You see, that's another of the mistakes I made. I thought they'd go to the Olympics some day, but when RICHARD SELLS and BOB GOODWIN started a Ladies Hat Shoppe, NICK MERRIMAN went into television billed as 'Naughty Nick, the Merry Mangler,' DAN WALSH became Nick's manager, LARRY SMITH lost his poise being confined to the SCHOENBERG and BRENNAN Shady Rest Sanitorium for the mentally deficient, all hopes for that great team were put to an end. All their games at the Admiral DONALD MUZATKO Memorial Stadium had to be cancelled."

"All in all, then, your prophecies haven't been too accurate."

"No, can't say that they have. And now, soon my house may be torn down to make room for a new theater that producers JULIUS PIERONI and RONALD BERGMAN want to build. They say they'll bring big name acts to town like DAVE FRAWLEY in 'Man with the Horn;' and those 'Roaming Hill Billies.' ANDY FERRERA, RAY MILLER, JOEL SMITH, and 'Two Gun' KEN EGERMAN. Oh, they'll even bring ALAN CROWE'S world famous Seal Act here. But I ask you, is it fair to an old man to tear down his house for a bunch of seals? Why, already the firm of STACH and GRIFFITH have started laying out plans for construction, and their front office man, DON HELLER, was here to see me about my leaving. It's hard for an old man. I'd like to see Mayor PATRICK RINGWOOD about this trouble, but the government has been awfully lax since AL SCHLOSSER was made City Commissioner. He's even allowing those boys, JIM 'Baby Face' BARKER, ED BATES, and JIM WILLIAMSON to operate a Pool Hall under the FRITZ and SANDERS Fruit Market. Things look hopeless."

"Say, didn't you foretell that some of those boys would become priests?"

"Certainly," he said apologetically, "but you have to do that every year. It sounds good. The fact is that only ROBERT CORRIGAN, who has been the principal of Holy Names since it became co-ed, ROBERT TANKSLEY, and DENNIS HERLIHY joined the Order. Father Tanksley is now heading a mission in Germany, and Fr. Herlihy is Faculty Moderator of Athletics at Gonzaga.

"Not to change the subejct, but isn't it strange how H.N.A. became co-ed? I hear JOSEPH McGOWAN'S boy, Homer, and Shawn O'Reilly, the son of WILLIAM O'REILLY, spear-headed the drive. Joe and Bill helped finance

Gonzaga Night

"Gonzaga, past-present-future", with the Freshmen and Sophomores in the past, the juniors in the present and the seniors in the future, was the theme of the traditional Gonzaga Night. Grand marshal Neil Cronin gave a short history of Gonzaga Night and then introduced the class marshalls, Bob Bourbeau, Don Barker, Joe Cozzetto, and Jim Barker. The Junior skit, "Life at Gonzaga" was judged tops.

After the band and glee club provided between act entertainment, the football letters were awarded. The annual inspirational award went to Senior Bob Goodwin.

Sock and

One of the most active clubs at Gonzaga High is the Sock and Buskin Club, the official dramatics society of the school. This group has derived its name from the Greek actors who wore the famous "sock" and "buskin" shoe or legging.

The purpose of the Sock and Buskin Club, to foster all dramatic activities, was amply carried out this year. Early in September the members of the club organized the annual skit for the 1949 Merry-Go-Round. This musical stunt was performed in conjunction with the Band and the Knights of the Leash.

"Gasping and choking and spitting blood," chants the ghastly chorus of (left to right) Dave Frawley, Dick Bruya, Joe Sontgerath, Don Heller, and Pat Lynch as Senin (Tom Sprague) dies of fright in the Sock and Buskin's smash hit one act play, "The Dreamslayers."

them from the earnings of their Hot Dog concession at Diamond Lake. Their drive brought contributions from 'LANGDON'S California Home for Tired Businessmen,' and from Soap Lake, TED PAPPAS donated some of his profits from the record banana crop. It's wonderful what the boys can do when they set their minds to it."

"But that isn't the future you saw for them. Weren't they supposed to be coal miners or lamp lighters or something?"

"Must you rub it in? I foretold that PAUL KAPFER would be a professor. Paul will be in here soon, but not as an educator. You see, he and BILL JONES are carpenters."

"But you did hit one right. PAT LYNCH did marry a female golf caddy, and is now playing exhibitions in Australia."

"Oh, he'll soon be too old for that. Someday he may have to settle down. He can always get a job at the O'NEIL and CRONIN 'Little bit of Sweden Smorgasbord'. And what about MARK RICHESON?"

"Well, didn't I foresee he'd have a brilliant career in the courtroom?"

The room was once more still. The smoke from the cardboard incense burner was slowly wafted through the hole-scared roof. Then I spoke.

"It's too bad DAVE BAUGH and JAKE HRYCENKO couldn't make a go of their new candy bar. I guess people didn't mind saying 'I'll take a Baugh and—' but by the time they said 'Hrycenko Candy Bar' they weren't hungry."

"Another slip for me. I foretold those boys would team up with JOHN CARRIERES and 'Cowboy' BOB KALEZ and start a Dude Ranch in Peaceful Valley. I even heard that PAT NEVERS, BOB ROWLES, and GIL CHERTRUDE had planned to bring their string of wild horses to the ranch for the summer. But ol' DUANE ENNIS, the real estate magnate, foreclosed the mortgage and forced them out of business. He just about did the same thing to the mortgage on the site of the Canoe Races held at the Bowl and Pitcher by promoter WILLIAM MARSH. But Marsh made enough money peddling JIM BROWN'S 'Miracle Mix' that he paid off the debt before the police ran him in for violating the Pure Food Act. It seems LARRY McCOLLIM bought some of the stuff and complained it made him turn green. Doctor JOHN AUGHNEY tasted the stuff and deemed it unfit for human consumption, and practically put FRANK CURRAN'S 'Wrecks-all' drugstore out of business, because his pharmacist, CHESTER HOPKINS, had some of the stuff in stock. McCollim was finally able to go back to work at JIM SCHRODER'S Beauty Salon, and Marsh had his

mouthpiece, ROBERT FERGUSON, spring him.

"What a tale of woe! Didn't any of our '50 graduates turn into anything really great?"

"Judge for yourself. Those 'Three Year Wonders,' RON GOOLEY, JOHN LYNCH, JACK THOMPSON and TERRY WEDEMEIER, are now the 'Big Four' running the elevators in the new RICHARD HAWKINS 'Five and Ten,' and MARK COLEMAN is running a pet store on Main Ave. Above Coleman's store MIKE LAKE'S School of Dance is noted for its staff of artists. JOHN ONGARATO and RODNEY POTTS are still fighting in the backwoods circuit, under the coaching of ROY HOERNER. EDDIE FALLON tried the pugilistic road for a while, but he had to give it up. He's now driving a truck for TOM MURPHY'S garage. TOM SPRAGUE played with the Poop-Outs for a while, but when they disbanded, he and BOB SULLIVAN went into the bakery business making fruit cakes, until Sprague touched a hot current and was almost electrocuted. If DICK CHASTEK hadn't been cruising by in his taxi, Tom might have been a prospect for DUFFY and MOORE'S Mausoleum Concern. Patrolman ROGER DIETER escorted them to the hospital.

And BILL BRODERSEN is a dish washer in a dental laboratory, washing upper plates. GLEN SNYDER has the head chair at the Moler Barber College. GEORGE WELLER is leading the Spokane Indians to another successful season. TERRY MCCARTHY and VINCE SCHMIDT are making a killing as traveling salesmen for that new firm 'Homework Done By Mail.'

"There really was no use in making a Senior prophecy in '50. Most of the boys have upset my predictions. What's more, there is really no money in the fortune-telling business."

He stopped and reflected moodily. The door opened and a familiar face appeared.

"I want you to meet my headwaiter, KEN EMERT," the wise one said. "My chef should be here shortly, too. You remember JIM SANTORA?"

"Chef? Headwaiter?"

"Certainly, and you probably remember my M.C. around here, JOE WEITENSTEINER; and BILL THOMAS and his impersonations; and DANNY COWELL'S 'Sweetest Music This Side of Hillyard.'"

"What is all this?"

"There is no future in prophesying, so in the evening this is Cutz' Chinese Gardens. Well, I hope you've found out what you wanted, Mr. RICHARDSON. Goodnight."

I turned and went out into the cool night. And as I scampered down the rain-swept street, the eerie music of the Gardens haunted me. Gad! How that ROGER STEELE can play the lute!

In February the Sock and Buskin players presented a one-act play by Richard Breen entitled "The Dreamslayers". The all-male cast of eighteen students presented this play over half a dozen times throughout the second semester. "The Dreamslayers" won a superior rating at the Northwest Catholic Drama Festival held in February.

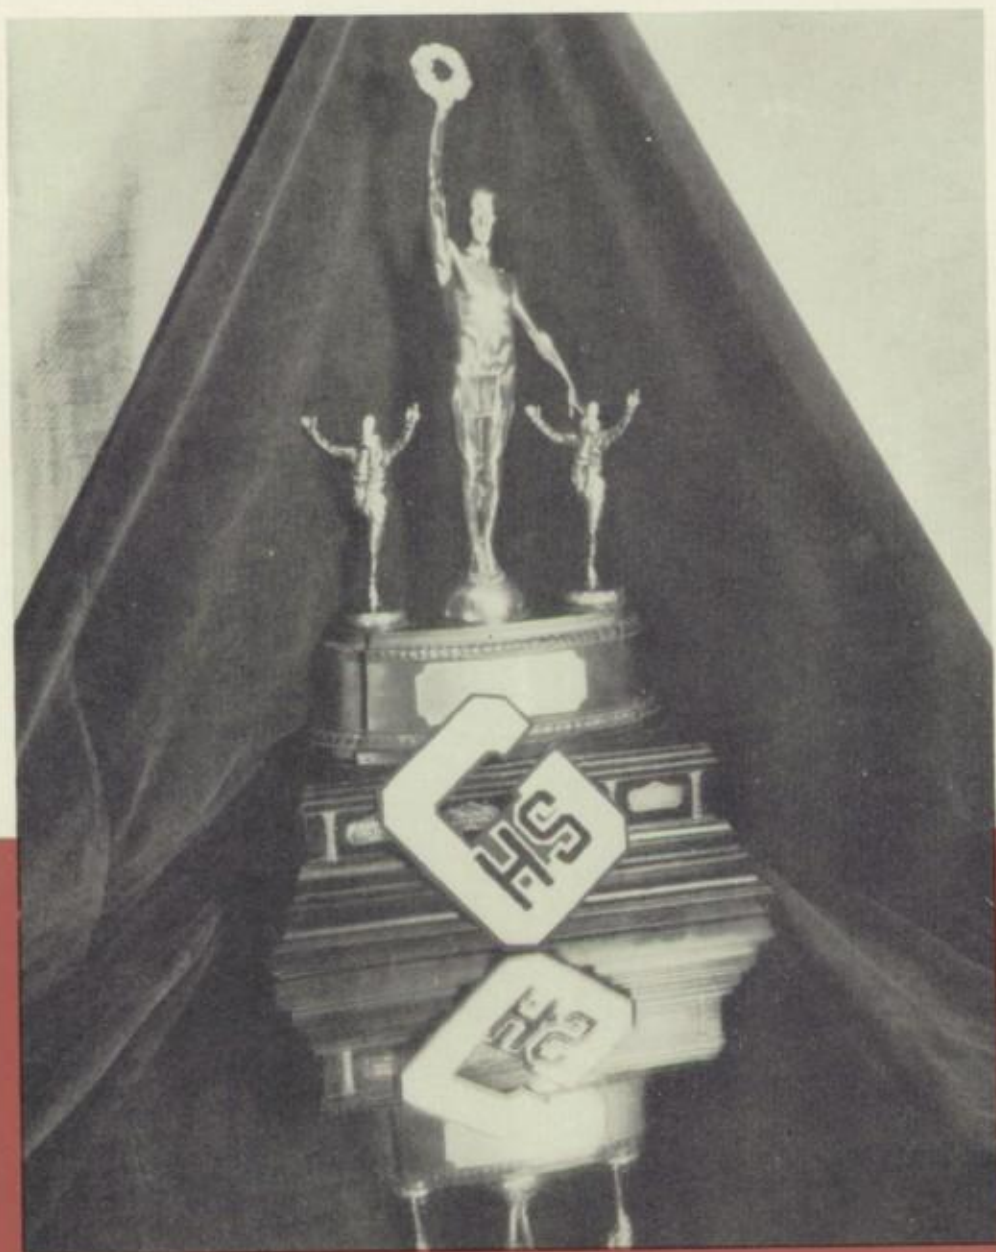

The presentation of Clifford Goldsmith's "What a Life" planned for late April was postponed until the fall semester. The Sock and Buskin Club completed the year by directing the annual Spring Festival Show which was held in May.

CITY CO-CHAMPS

In the 1949 gridiron campaign the fighting Bullpups of Gonzaga once again upheld their reputation for rough aggressive football. With the line boasting of three all-city starters in Corrigan, Merriman and Velling, the Zags proved to be effective on offense and deadly on defense.

Tom Sprague captained the "'49 ers" to a well earned co-championship with the Rogers Pirates as he scampered, plunged and fought his way to an all-city berth and a new record in total yardage gained, with 1034 yards in 119 plays.

Bullpups Top Pirates

Twelve to seven was the margin of victory for the Pups in their initial league tilt with the Rogers Pirates. "Choreboy" in the backfield for Gonzaga was galloping Tom Sprague who sprinted fifty-six and twenty yards for the Zag tallys in the first four minutes of play. The remainder of the game showed that the Gonzagan forward wall of Merriman, Boyle, Corrigan and Velling kept the fleet Rogers backs at bay by allowing the Pirates only one counter.

Tigers Bow To Zags

The tenacious Gonzaga Bullpups clung to the No. 1 spot of the city circuit by skinning the Lewis & Clark Tigers 25-19. It was a great forward wall of Barker, Velling and the Boyles which kept the Zag offense humming and their defense rocking. The Spragues again kept the scoring in the family with Tom carrying the mail to pay dirt on three occasions. Roy Velling leaped high in the end zone to snag Sprague's aerial and score the final T.D.

Pirates Hand Pups Lone Setback

Gonzaga was toppled from an undisputed '49 league championship by the Rogers Pirates 41-6. The lone Zag score was a climax to a breathtaking 60 yard drive in the first minutes of play. A combination of Smith and Sprague in the back-field, and the Boyles, Barker and Merriman in the line, carried the ball all the way down to the twelve. Smith knifed over to give the Zags an early lead of 6-0. The Buccaneers then took over and displayed a dazzling offense that netted them 41 hard earned points against an ever charging Bullpup line.

Zags Shine In Second N.C. Tilt

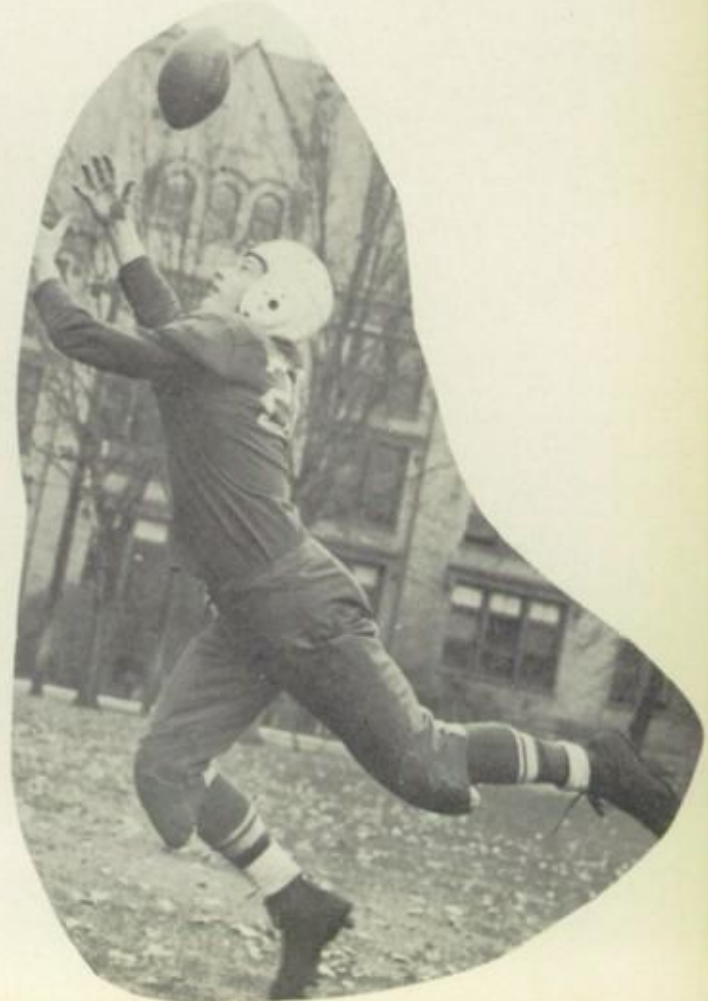

Joe Gonzaga proved that you cannot keep a good man down as he bounded back to whip N.C. 26-6. The Pups left no doubt as to their right to claim the title "Co-Champs" as they thundered up and down the field gaining a total of 385 yards. The Indians were completely baffled by a new offense which sometimes found the Zags' stalwart center, Rip Corrigan, running from the halfback position. Beckel passed to Murphy to start the Blue and White scoring parade. Sprague reeled off two runs of 58 and 67 yards. Smith surged over from the two to complete the scoring.

Basketball

The first half of the 1950 basketball season was strewn with bad breaks and heart breaking defeats for the hapless Bullpups. The pups ran the gauntlet of Lewis & Clark, Rogers, West Valley, and North Central, without once bringing home the bacon. It was Coach Presley's boys, however, that gave the champion N.C. Indians the scare and near upset of the season, losing by one point in the closing second of the contest.

The final stanza of the league schedule saw the fighting Irish defeat the West Valley Eagles and trounce the Lewis and Clark Tigers for an upset victory. Gonzaga was once again forced to bow to the Rogers Pirates and the championship, tournament bound Indians.

FOURTH ROW: Don Anderson, Ronald Wayerski, Bob Gariepy, Bill Hallinan, Don Jans, Frayne McAtee, Tom Ennis, Con Healy.

The basketball B squad played smoothly with the help of Volk, Wiltzius, Olson and Brodersen. — Promising track stars were Thompson, Pauly, Kennedy, Mahar, Kavanagh, Jones and McCormick. — Mertens and Moore were willing workers on the Luigian. — Baseball fans saw boys like Olson, Barker, Volk, Lyonaisse, O'Brien, and Wiltzius on the diamond. — Gonzagan staff members included McDonald, Scarpelli, and Pupo.

FIRST ROW: Tom Jennings, Dick Lyonaisse, John Foss, Renaldo Chimenti, Louie Binder, Ronnie Moore. Competition was keen among the Zag hoopsters during the 1950 season. The starting five was seldom determined until shortly before game time.

Leading the ball-hawking speedsters in the front court were Neil Cronin and Tom Sprague. They were followed closely by Chuck Beckel and John O'Neil.

Domination of the backboards was a specialty of the lofty, rugged combination of Captain Rip Corrigan, Bob Helbling, Roy Velling, and Pat Lynch. The fans could always depend upon Roger Steele and Don Curran to turn in a fine performance when they were called upon to do so.

The Knights of the Leash, one of Gonzaga's top-notch clubs, is composed of students chosen for their diligence in studies and extracurricular activities. Only a limited number are chosen each year to fill the ranks of the Leash, for it is the duty of the members to keep order in the student body and it is up to them to set a good example for the students to follow. Each year the Leash usher at school events, such as the Mass of the Holy Ghost, Gonzaga Night and the annual retreat. In the Fall the Knights sponsor the "Knight Flight", a dance given to honor the football squad.

During the 1949-1950 school year there was seldom any activity at Gonzaga in which the band did not participate. Though poorly uniformed at the start of the year, they were one of the most skillful marching groups at the annual Merry-Go-Round game. After this initial boost in prestige, the band continued its fine representation, demonstrating its musical ability at Gonzaga Night, and in the city High School football and basketball games. To show their appreciation, the Student Body went all out to purchase fifty new band uniforms through the Curtis Magazine Subscription drive. The band ended the year with a successful band-gee club concert.

In January, Mr. Henry SiJohn took up the baton and under his competent leadership the club finished a most successful year. After numerous performances, the organization gave a spring concert, which spread the fame of both Gonzaga and the Glee Club. Gonzagan Staff At Work...

Throughout the school year, the staff of the GONZAGAN endeavored to put out a paper worthy of G.H.S. Such an accomplishment meant long after-school hours of writing and rewriting. Then came the worry—would the deadline be met? Each month the cycle began anew.

Knights of Science

The Knights of Science is a club founded to encourage its members to pursue some aspect of science whose boundaries are practically limitless. To further this interest the Club made a number of tours to local industries. Among these were a trip to the Inland Empire Paper Co., Gonzaga University's Engineering Department, the Mead Reduction Plant, and the Trentwood Rolling Mill. The last two completed the Club's study of Aluminum. Several movies were also shown to the members throughout the year.

Elocution

The annual Senior Elocution Contest was held in Dillon Hall on January 23rd. One of the greatest turnouts in the contest's history brought seventy-nine upper classmen to compete for the finals. Mark Richeson captured first place with his portrayal of "Go Down, Death." On February 28th five sophomores and three freshmen competed in the Junior Elocution Contest. The judges deemed Armand DeFelice the winner with his stirring, "Rum's Maniac." The Latin Oratorical Contest, only in its second year, proved to be one of Gonzaga's classical highlights. Herb McDonald was judged as the best interpreter of Ciceronian oratory.

Gonzaga's debaters turned in a most successful season this year as is evident from the many new trophies and medals which now line the school's display case.

At the December Seattle tourney Bob Tanksley and Mark Richeson brought back the second place debating cup. At the Lewiston tournament in February Gonzaga's four teams won the sweepstakes trophy and took the first four places in Extempore. In the Gonzaga University Tournament Gonzaga tied for third in debate; Richeson took first in oratory and was named as first alternate for a Gonzaga University scholarship; John O'Rourke won first in extempore; Jim Upton took second in impromptu; and George Weller and Joe Cozzetto captured second and third respectively in dramatic reading.

ABOVE LEFT: Gonzaga's first team, Mark Richeson and Bob Tanksley add the Sweepstakes trophy won at Lewiston to an already impressive collection of cups and trophies.

ABOVE RIGHT: Jim Upton, Bob Tanksley, John O'Rourke and Mark Richeson, due to their outstanding debating, won the above Lions Club trophy for taking first place in the Eastern Washington Debate League.

In the debate league formed this year, the two teams of Richeson-Tanksley and Upton-O'Rourke tied for first. Richeson also received the award for the best male debater in the league. In the March State Tournament at Pullman Gonzaga won second and a W.S.C. scholarship for Richeson.

The club's success depended greatly upon Mr. James Reichmann, S.J., the debating coach. Whatever the debaters gained is due ultimately to his careful instruction and example.

Although Gonzaga has received a large share of trophies, the true success of the season is not to be found in that fact. Rather the season was successful because of the training given the debaters themselves. They have learned a quality which will help them all their lives.

Gamma Beta

The forty resident students of the 1949-50 school year hailed from Montana, Idaho, California, Oregon, Washington, North Carolina, and Alaska to meet and make friends in the four-story white brick building—DeSmet Hall.

Throughout the year the Boarders were always represented in varsity football, baseball, track and basketball. Besides athletics, the Boarders placed each time in the finals for the Junior and Senior Elocution contests and were well represented in the Band and Glee Club.

As another epic-making year for Gamma Beta draws to a close, it leaves in the hearts of all a bit of sorrow, and especially in the seniors who must now break many close friendships and leave DeSmet Hall and Gamma Beta.

Gonzaga Night

"Gonzaga, past-present-future", with the Freshmen and Sophomores in the past, the juniors in the present and the seniors in the future, was the theme of the traditional Gonzaga Night. Grand marshal Neil Cronin gave a short history of Gonzaga Night and then introduced the class marshalls, Bob Bourbeau, Don Barker, Joe Cozzetto, and Jim Barker. The Junior skit, "Life at Gonzaga" was judged tops.

After the band and glee club provided between act entertainment, the football letters were awarded. The annual inspirational award went to Senior Bob Goodwin.

One of the most active clubs at Gonzaga High is the Sock and Buskin Club, the official dramatics society of the school. This group has derived its name from the Greek actors who wore the famous "sock" and "buskin" shoe or legging.

The purpose of the Sock and Buskin Club, to foster all dramatic activities, was amply carried out this year. Early in September the members of the club organized the annual skit for the 1949 Merry-Go-Round. This musical stunt was performed in conjunction with the Band and the Knights of the Leash.

Bob Corrigan (above) as "Earth" and Neil Cronin (below) as "Carmell" received the first and second place awards as the best male actors in the Catholic Northwest Drama Festival held at Marycliff. Both students played leading roles in "The Dreamslayers," the Gonzaga High School entry in this tournament.

Buskin Club

"Guards, grab him!", shouts Carmel (Neil Cronin) while Senin (Tom Sprague) and professor Smull (Mark Richeson) look on as the guards Ken Egerman and Larry Smith nab infuriated Julian Earth (Bob Corrigan).

In February the Sock and Buskin players presented a one-act play by Richard Breen entitled "The Dreamslayers". The all-male cast of eighteen students presented this play over half a dozen times throughout the second semester. "The Dreamslayers" won a superior rating at the Northwest Catholic Drama Festival held in February.

The presentation of Clifford Goldsmith's "What a Life" planned for late April was postponed until the fall semester. The Sock and Buskin Club completed the year by directing the annual Spring Festival Show which was held in May.

CITY CO-CHAMPS

In the 1949 gridiron campaign the fighting Bullpups of Gonzaga once again upheld their reputation for rough aggressive football. With the line boasting of three all-city starters in Corrigan, Merriman and Velling, the Zags proved to be effective on offense and deadly on defense.

Tom Sprague captained the "'49 ers" to a well earned co-championship with the Rogers Pirates as he scampered, plunged and fought his way to an all-city berth and a new record in total yardage gained, with 1034 yards in 119 plays.

Coaches Frazier and Miller, and the entire Bullpup squad deserve the highest of merits for bringing the G.H.S. seven victories out of eight starts.

Bullpups Top Pirates

Twelve to seven was the margin of victory for the Pups in their initial league tilt with the Rogers Pirates. "Choreboy" in the backfield for Gonzaga was galloping Tom Sprague who sprinted fifty-six and twenty yards for the Zag tallys in the first four minutes of play. The remainder of the game showed that the Gonzagan forward wall of Merriman, Boyle, Corrigan and Velling kept the fleet Rogers backs at bay by allowing the Pirates only one counter.

Tigers Bow To Zags

The tenacious Gonzaga Bullpups clung to the No. 1 spot of the city circuit by skinning the Lewis & Clark Tigers 25-19. It was a great forward wall of Barker, Velling and the Boyles which kept the Zag offense humming and their defense rocking. The Spragues again kept the scoring in the family with Tom carrying the mail to pay dirt on three occasions. Roy Velling leaped high in the end zone to snag Sprague's aerial and score the final T.D.

Feathers were flying as the Bullpups fought their way to an 18-12 decision over the North Central Indians. The Zags outcharged and outran the tribe throughout the entire game, with Sprague beating a path to the Indians door for all three Pup counters. Beautiful blocking by Corrigan, Merriman, Cozzetto and a 47-yard run by Garcea set up the Gonzaga tallies.

L. C. Loses Again

The Irish of Gonzaga remained in the unbeaten column by nipping an aroused band of Tigers 14-7. Murphy and Garcea, the "little boys" of the league, kept the Pups in the game. Garcea darted 43 yards to pay dirt, and Murphy scored on a 15-yard jaunt through tackle. Merriman and Corrigan were undoubtedly the finest linemen on the field.

Pirates Hand Pups Lone Setback

Gonzaga was toppled from an undisputed '49 league championship by the Rogers Pirates 41-6. The lone Zag score was a climax to a breathtaking 60 yard drive in the first minutes of play. A combination of Smith and Sprague in the back-field, and the Boyles, Barker and Merriman in the line, carried the ball all the way down to the twelve. Smith knifed over to give the Zags an early lead of 6-0. The Buccaneers then took over and displayed a dazzling offense that netted them 41 hard earned points against an ever charging Bullpup line.

Zags Shine In Second N.C. Tilt

Joe Gonzaga proved that you cannot keep a good man down as he bounded back to whip N.C. 26-6. The Pups left no doubt as to their right to claim the title "Co-Champs" as they thundered up and down the field gaining a total of 385 yards. The Indians were completely baffled by a new offense which sometimes found the Zags' stalwart center, Rip Corrigan, running from the halfback position. Beckel passed to Murphy to start the Blue and White scoring parade. Sprague reeled off two runs of 58 and 67 yards. Smith surged over from the two to complete the scoring.

Basketball

The first half of the 1950 basketball season was strewn with bad breaks and heart breaking defeats for the hapless Bullpups. The pups ran the gauntlet of Lewis & Clark, Rogers, West Valley, and North Central, without once bringing home the bacon. It was Coach Presley's boys, however, that gave the champion N.C. Indians the scare and near upset of the season, losing by one point in the closing second of the contest.

The final stanza of the league schedule saw the fighting Irish defeat the West Valley Eagles and trounce the Lewis and Clark Tigers for an upset victory. Gonzaga was once again forced to bow to the Rogers Pirates and the championship, tournament bound Indians.

Competition was keen among the Zag hoopsters during the 1950 season. The starting five was seldom determined until shortly before game time.

Leading the ball-hawking speedsters in the front court were Neil Cronin and Tom Sprague. They were followed closely by Chuck Beckel and John O'Neil.

Domination of the backboards was a specialty of the lofty, rugged combination of Captain Rip Corrigan, Bob Helbling, Roy Velling, and Pat Lynch. The fans could always depend upon Roger Steele and Don Curran to turn in a fine performance when they were called upon to do so.

IN 1865, FR. CATALDO, S.J., A JESUIT MISSIONARY, ENTERED THE SPOKANE AREA.

HE SOON ERECTED A SMALL MISSION SCHOOL FOR INDIAN CHILDREN.

BY 1881, THE NEED FOR EDUCATIONAL FACILITIES WAS NEVER GREATER.

TO KEEP PACE WITH SPOKANE'S GROWING POPULATION, A NEW BUILDING WAS CONSTRUCTED IN 1887 CALLED GONZAGA COLLEGE.

IN 1899, A STATUE WAS ERECTED IN MEMORY OF ENS. J.R. MONAGHAN, U.S.N., ONE OF GONZAGA'S NOBLEST SONS.

REPORTED THE REVIEW OF MAR. 23, 1891: "The Jesuits will erect in Spokane one of the most extensive and elaborate institutions of learning west of the Mississippi."

GOV. M.E. HAY CONGRATULATED GONZAGA ON ITS SILVER JUBILEE, ITS LAW SCHOOL AND ITS GROWTH INTO A UNIVERSITY IN 1912.

GONZAGA MEN HAVE BEEN SUCCESSFUL IN EVERY WALK OF LIFE OVER THE PAST 60 YEARS. NOW COEDUCATIONAL, ITS DOORS ARE OPEN TO ALL REGARDLESS OF CREED, COLOR OR RACE.

TODAY, WITH THE GREATER \$2,500,000 EXPANSION PROGRAM UNDERWAY, GONZAGA UNIVERSITY STANDS AS A MONUMENT TO SPOKANE AND THE INLAND EMPIRE, OFFERING THE FINEST IN CHRISTIAN EDUCATION.

FROM FLORIDA...

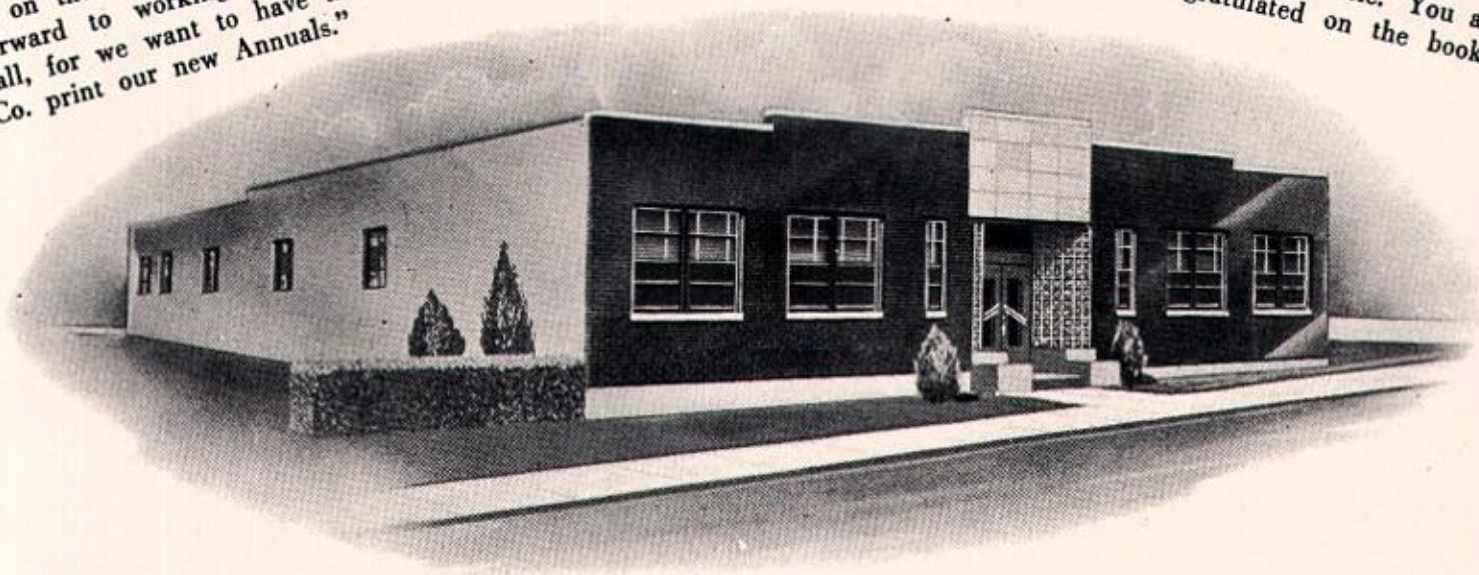

"At this time I want to express our appreciation of your services to us. We are all very much pleased with our annual, and I want you to know how grateful to you I am for your cooperation in having our books delivered to us on the specified date. I shall look forward to working with you in the fall, for we want to have the Roebuck Co. print our new Annuals."

FROM MICHIGAN...

"The staff and I were very much pleased with our annual. We have received many compliments on the book."

FROM OREGON...

"The yearbooks arrived in town Saturday and were delivered to us this morning. They certainly are very satisfactory and those of us who have looked at them have been very enthusiastic. You are to be congratulated on the book."

FROM RHODE ISLAND...

"It has been a pleasure to work with you in the production of this year's book. I also wish to extend my compliments to your firm on the excellent quality of the book. The paper, printing, reproduction of pictures and drawings, and the covers are exceptionally fine in all details."

FROM NORTH DAKOTA...

"I want you to know how very pleased I am with the yearbook which you got out for us. In fact, I was really delighted when I saw the finished book; I liked the gray cover, the printing superimposed on some of the pictures, and the general set-up. We are very grateful to you personally for your interest in the book, and for showing us how to set it up."
